### Newsletter or E-Blast Announcement #1 – Educational

From Mother's Day to Father's Day, our congregation will be lifting up the opportunity to support the 2021 Samaritan Offering for Pinnacle Living. How much do you know about the historical connection of residential ministry with older adults in our denomination and the Virginia Conference?

John Wesley, the founder of the Methodist movement, is known for his concern for the welfare of others, from basic health care to improved working conditions. In the birthday reflections in his journals, Wesley wrote about many factors he attributed to his own successful aging into his eighties. He recorded insights on a variety of topics including the importance of a good diet, feeling useful, and being active. Wesley lived to be a very old man in the 18<sup>th</sup> century! As Methodism spread to the American Colonies, early leaders saw a crucial need for care of orphaned children in the early colony of Georgia. This led to the first Methodist-related home to care for children in 1741. It would be more than 100 years later in 1850 that the first "home for aged persons" was established in New York City.

The story of ministry with older adults that was to become Pinnacle Living goes back to the 1930's when a need for a home for the aging in Virginia was pointed out to church leaders. After several years of study, a report was submitted to the Annual Conference in Lynchburg in 1944, asking Bishop William Walter Peele to appoint a committee with authority to incorporate a board for the "Home for the Aged" and to seek out other gifts and bequests, and what would eventually become Pinnacle Living was born. As the needs and expectations of seniors have evolved and shifted, Pinnacle Living communities have grown and changed, too. Our mission of **Enriching Life's Journey** lives out in five distinctive communities across the Virginia Conference.

In 1948 when the doors of the Snyder Memorial Home and The Hermitage opened for residents, the average life expectancy for a man was almost 65 years and for a woman, almost 70 years. With ever increasing

longevity, more and more of us today wonder if we will be able to financially support ourselves into our 80s, 90s, even possibly our 100s. Your support of the Samaritan Program offers financial assistance to residents in our Pinnacle Living communities who have outlived their monetary resources and, through no fault of their own, can no longer afford the full cost of services. Benevolent assistance is at the heart of the mission of Pinnacle Living.

### **Announcement #2 – Older Americans Month**

Did you know that May is “Older Americans Month”? Since 1963, this month-long celebration has been a time to acknowledge the contributions of past and current older persons to our country. The theme for 2021, **Communities of Strength**, will celebrate the strength of older adults and the Aging Network, with special emphasis on the power of connection and engagement in building strong communities.

One way for our congregation to be engaged in **#OAM21** is by honoring or recognizing the memory of older adults who have been inspirations in our lives with a gift to the Samaritan Offering. Contributions to the Samaritan Offering received from Mother’s Day, May 9<sup>th</sup>, through Father’s Day, June 20<sup>th</sup>, assist in providing a sense of security and peace of mind when residents of the communities of Pinnacle Living are most vulnerable. The Samaritan Program offers financial assistance to residents who have outlived their monetary resources and, through no fault of their own, can no longer afford the full cost of services. Benevolent assistance is at the heart of the mission of Pinnacle Living, our Virginia Conference-related ministry with persons living into elderhood.

Please consider a gift to the Samaritan Program during this special offering season. Gifts may be designated to any of our Pinnacle Living communities. Undesignated gifts are used where the need is greatest. One hundred percent of your contribution to the Samaritan Program will go directly to the financial support of the residents in need and will not be used for operational, capital, or administrative costs. Contributions can be made through the church regular or special offering. You can also visit the Pinnacle Living website at [PINNACLELIVING.ORG](https://www.pinnacleliving.org) or Facebook page @PinnacleLiving to give online.

### **Announcement #3 – Offering Specific**

The 1948 report of the Board of Hospitals and Homes to the Virginia Annual Conference noted the amount raised through the first special offering to support the mission and ministry of the Virginia Conference “Home for the Aged.” For seventy-three years, Virginia Conference churches have continued to dedicate a special offering time period for the Samaritan Program of Pinnacle Living. Over the years, the name and time frame of the special offering have changed, but the focus has remained the same: to ensure the personal security and peace of mind of our most vulnerable residents. During the 2020 fiscal year, the Samaritan Program provided \$412,224 to help residents remain in their “home” at their respective Pinnacle Living community.

Your gift to the Samaritan Offering supports residents who have been blessed by longevity but have outlived their financial resources. Samaritan gifts are not used for operational, capital, or administrative cost but are instead made available only for benevolent care. Your gift ensures someone’s personal security and peace of mind.

Samaritan Offering gifts, which are received from Mother’s Day, May 9<sup>th</sup>, through Father’s Day, June 20<sup>th</sup>, may be designated to any of our Pinnacle Living communities. Undesignated gifts will be used where the need is greatest. Both designated and undesignated gifts serve the same purpose: *to provide financial assistance to residents whose ability to pay for care has been diminished*. Please consider making a gift today to help those who need your generosity. You truly can make a difference in someone’s life. Contributions can be made through the church regular or special offering. You can also visit the Pinnacle Living website at [PINNACLELIVING.ORG](https://www.pinnacleliving.org) or Facebook page @PinnacleLiving to give online. ## **Announce the offering in your church bulletin.**

### **Bulletin Announcement – Older Adult Recognition Sunday**

In April 2008, the General Conference of The United Methodist Church adopted legislation inviting congregations to celebrate Older Adult Recognition Day each year during the month of May. We were well ahead of this legislation when the 2006 Virginia Annual Conference agreed to designate the first Sunday in May of each year as Older Adult Recognition Sunday. Through an Older Adult Recognition, United Methodists are invited to show appreciation and support for older adults who continue to enrich and strengthen our faith communities. Older Adult Sunday and Older Americans Month which is also celebrated in May are great opportunities for us to remember and honor the older adults that have been important in our faith journeys. Consider a gift to the Samaritan Offering for Pinnacle Living, as one way to recognize those who have made a difference in your life. One hundred percent of your contribution will go directly to the financial support of the residents in need and will not be used for operational, capital, or administrative costs. Contributions can be made through the church regular or special offering. You can also visit the Pinnacle Living website at [PINNACLELIVING.ORG](http://PINNACLELIVING.ORG) or Facebook page @PinnacleLiving to give online.

Samaritan Offering gifts, which are received from Mother's Day, May 9<sup>th</sup>, through Father's Day, June 20<sup>th</sup>, may be designated to any of our Pinnacle Living communities. ## **Offering Prayer of Dedication**

Holy and Loving God:

We long to be faithful disciples and faithful givers, modeling ourselves after the example of your Son. Through the story of the Good Samaritan, Jesus taught us to not pass by those in need but to reach out in unconditional love to offer assistance in whatever way we can. May these gifts to the Samaritan Program be instrumental in wiping away insecurities and fear. Let them be living expressions of what it means to be a true Samaritan: a good neighbor, a supporter, and a protector. Bless those who receive these gifts, just as we are blessed in the act of sharing them joyfully, together this day in Jesus' name. Amen.
